

# SAFETY LABEL CERTIFICATE 2026

Climbing and mountaineering equipment tested to the UIAA's equipment standards is recommended by the UIAA for use by climbers and mountaineers.

**Peter Muir**  
UIAA President

**Lionel Kiener**  
UIAA Safety Commission President

The UIAA certifies that the product named below has been tested to meet the safety requirements of the UIAA's equipment standards:

|                            |  |
|----------------------------|--|
| <b>Product name</b>        | Micro stainless steel wiregate with splint |
| <b>Product number</b>      | NM02AL                                     |
| <b>Safety Label Holder</b> | AUSTRIALPIN GmbH ( 0574 )                  |
| <b>Brand name</b>          | AustriAlpin                                |
| <b>UIAA Standard</b>       | UIAA 121 Connectors                        |
| <b>Certificate No.</b>     | AUT 18-4902                                |

The first two digits indicate the year that the product was first tested and thus the applicable version of the UIAA standard.

|                          |            |
|--------------------------|------------|
| <b>Date first issued</b> | 01.01.2019 |
| <b>Date last issued</b>  | 03.02.2026 |

This certificate is valid until 31 Dec of the year of last issued date. It may be renewed within three months of the expiry date in accordance with UIAA regulations.
